ROAR:
RECLAIMING OUR ANCESTRAL ROOTS SOCIETY

TOGETHER WE MAKE A DIFFERENCE

The ROAR Community Approach Framework

Meeting people where they are in their healing process at any stage. ROAR will walk alongside you.

Supporting with helping remove barriers for the individual, strengthening wellness and creating long-term systems change.

Relationship with the Individual, Family Community, and with ROAR

Culture as medicine. Healing circles and community connection.

Building trust before expecting change. ROAR supports self - determination

Advocacy and system navigation.

Peer support and outreach.

ROAR's goal is to visually communicate our relationship-based, culturally grounded approach to supporting individuals, families, and communities.

Together we make a difference! Healing is our revolution!
